### Toronto Area (Nuclear)

\* To work in a Nuclear Plant in the province of Ontario a member must hold a valid OPG and/or Bruce Power Security Clearance. Security Clearances can take up to 6 months for approval. A worker is not allowed onsite while the application is being processed, the worker must have approval before being dispatched to a Nuclear Site.

OPG and Bruce Power have different clearances and the member must fill an application to transfer his/her clearance. A clearance transfer application is possible for members who hold valid clearances at Point Lepreau Generating Station as well.
