

**MICHAEL F. POWER
(April 12, 2010)**

I would like to extend a special thank-you to each and every one of you.

I am still overwhelmed with the show of support, kindness and compassion given to our family so freely with the passing of Mike.

I truly understand the deep bond within the Brotherhood of Boilermakers. I am honored to be surrounded by so many people who are kind, considerate and thoughtful. To know you is to be grateful for all the special things you do.

I cannot even begin to express my gratitude for the site wide gate collection taken on behalf of Mike. Your generosity still leaves me speechless and I feel that words alone cannot express how much I appreciate all of you, not just for what you did, which was astounding, but for the warmth and the caring you put into it .

Mike was dedicated to his family, the Boilermakers and his many friends...he will be missed by all who knew him and loved him.

**Thank you so very much...your kindness will help carry us through.
