

## The 'Mo - Stache' Challenge

### THE STATE OF MEN'S HEALTH IS IN CRISIS!

Men experience worse longer-term health than women and die on average six years earlier. Prostate cancer rates will double in the next 15 years. Testicular cancer rates have already doubled in the last 50 years. Three quarters of suicides are men. Poor mental health leads to half a million men taking their own life every year. That's one every minute.

The Movember Foundation is tackling these issues head on. Local 128 would like to do its part in raising money and awareness for men's health by issuing a Movember Challenge to our members.

Send in pictures of your "Duster" to be entered into a Local 128-wide competition.

A donation of \$300 will be made in the members name for the winners of the following categories:

**Ugliest Moustache** - Can't grow? No problem. The worst moustache wins!

**Mo Original** - The wackier the better. Prize points for creativity!

**The Natural** - The next Burt Reynolds. Most natural looking duster takes the prize.

Winners will be judged by a panel of volunteers. Winners will be announced in early December. Photos of all contestants will be posted (unless otherwise requested) to a photo album on the Local 128 website.
