Dear Brothers and Sisters,

RE: Weld Shop Closures and Cancellations

On the advice of the Health Minister and our Government guidelines on minimizing gathering in groups as well as for the safety of our members and staff, at this time, all our Weld Shops are closed and all CWB test dates have been cancelled.

Please note that all CORE training has also been suspended until further notice. If you have any questions or concerns pertaining to your CORE Training, please reach out to our training team or Training Coordinator.

I thank you for your understanding.

Fraternally yours,

TOM MACNEIL
Apprenticeship & Training Coordinator
